

**POLISHED**

## DESCRIPTION

With its neutral hues, this beautiful Canadian stone is a Polycor exclusive. Consistent and homogenous in color, it is easy to work this stone from every angle. It is recognizable for its neutral background color and thin orange surface veins. No other stone like this is available on the market, and it is a customer favorite for architectural projects.

## QUARRY OPERATING SINCE

2000

## ANNUAL PRODUCTION

3 600 m<sup>3</sup> and more  
(127 000 cu. ft.)

## AVAILABLE FINISHES

Polished	Waterjet
Antique	Flamed
Honed	

## APPLICATIONS

Exterior	Vertical
Interior	Commercial
Horizontal	Residential

## PHYSICAL TEST RESULTS

		Imperial	Metric
Absorption by weight	ASTM C97	0.16%	0.16%
Density	ASTM C97	165.2 lb/ft <sup>3</sup>	2 646.25 kg/m <sup>3</sup>
Compressive strength	ASTM C170	23 277 Psi	160.49 MPa
Flexural strength	ASTM C880	1 740 Psi	12.0 MPa
Modulus of rupture	ASTM C99	2 364 Psi	16.30 MPa
