SUCCESS IS BUILT ON *passion*

Polycor is a North American natural stone quarrier and fabricator. By joining forces with other industry pioneers, we provide our customers with centuries of stone expertise. Our vision is to establish new foundations of global leadership by setting the standard for excellence in sustainable natural stone. Our products are built to last so that future generations can continue to fall in love with natural stone.

Workers in Indiana standing on a limestone column, 1921.

DARK STONES

Dark stones are chic and timeless, perfect for every style. Polycor's dark stones are chemical-free and do not require resins or dyes, making them ideal for countless applications.

AMERICAN BLACK™

Granite

Quarried in the beautiful state of Pennsylvania, this rich black granite has pronounced white veining, giving its pattern a marble-like quality. Its unique wavy pattern creates movement, drawing the eye and making it the ideal centerpiece for any space.

PENNSYLVANIA, USA

CAMBRIAN BLACK™

Granite

Elevate your spaces with this Canadian masterpiece sourced from our QUÉBEC quarry. Our selection of stunning finishes accentuates its finest qualities, illuminating the pure-black crystals setting them aglow with radiant reflections.

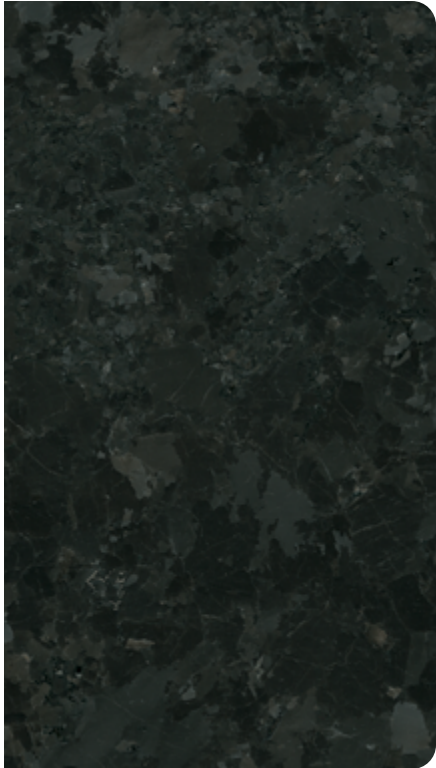

KODIAK BROWN™

Granite

Unearthed in the mountainous countryside of Québec, this granite has a delactable combination of chocolaty tones punctuated by small, pale flakes. Its multifaceted undertones bring a gentle sophistication to any space.

SAINT HENRY BLACK™

Granite

Presenting yet another gem from Québec, this granite is a tapestry woven with oversized, eye-catching metallic crystals, imbuing this classic stone with a touch of contemporary sophistication.

NEUTRAL STONES

The subdued neutral shades of this line of stones are suited to all styles and requirements. Their calming tones will provide a quiet and soothing aesthetic to any space.

INDIANA LIMESTONE - FULL COLOR BLEND™

Limestone

This world-renowned limestone is mainly used for outdoor applications, consistently delivering exceptional outcomes. It graces the facades of innumerable landmarks throughout North America and serves as premium cladding for residential exteriors. This limestone's distinctive palette ranges from medium gray to warm beige, imparting a delightful radiance to outdoor environments.

INDIANA, USA

ALGONQUIN™

Limestone

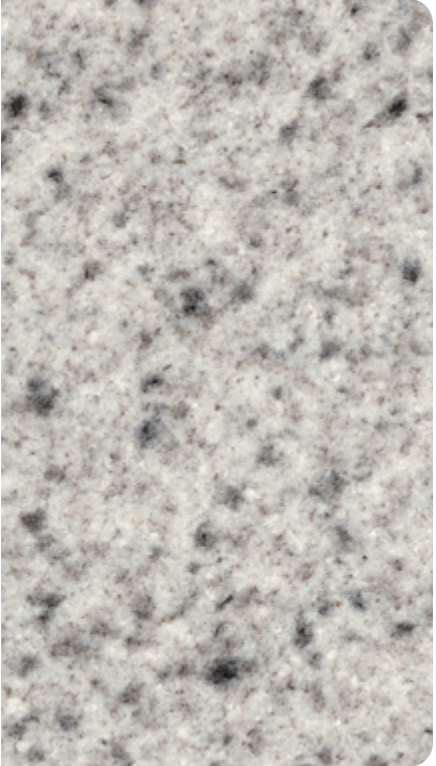

The striated veins in this warm, earth-toned limestone create a bold design statement. Suitable for both exterior and interior applications, ALGONQUIN is a unique and versatile limestone that is consistent in its vein pattern.

 **WIARTON, ON, CANADA**

LIGHT STONES

Timelessly pure, our selection of light stones will brighten up any space. Their pearly tones add a pop of vibrancy, making them the ideal complement for a wide range of design aesthetics.

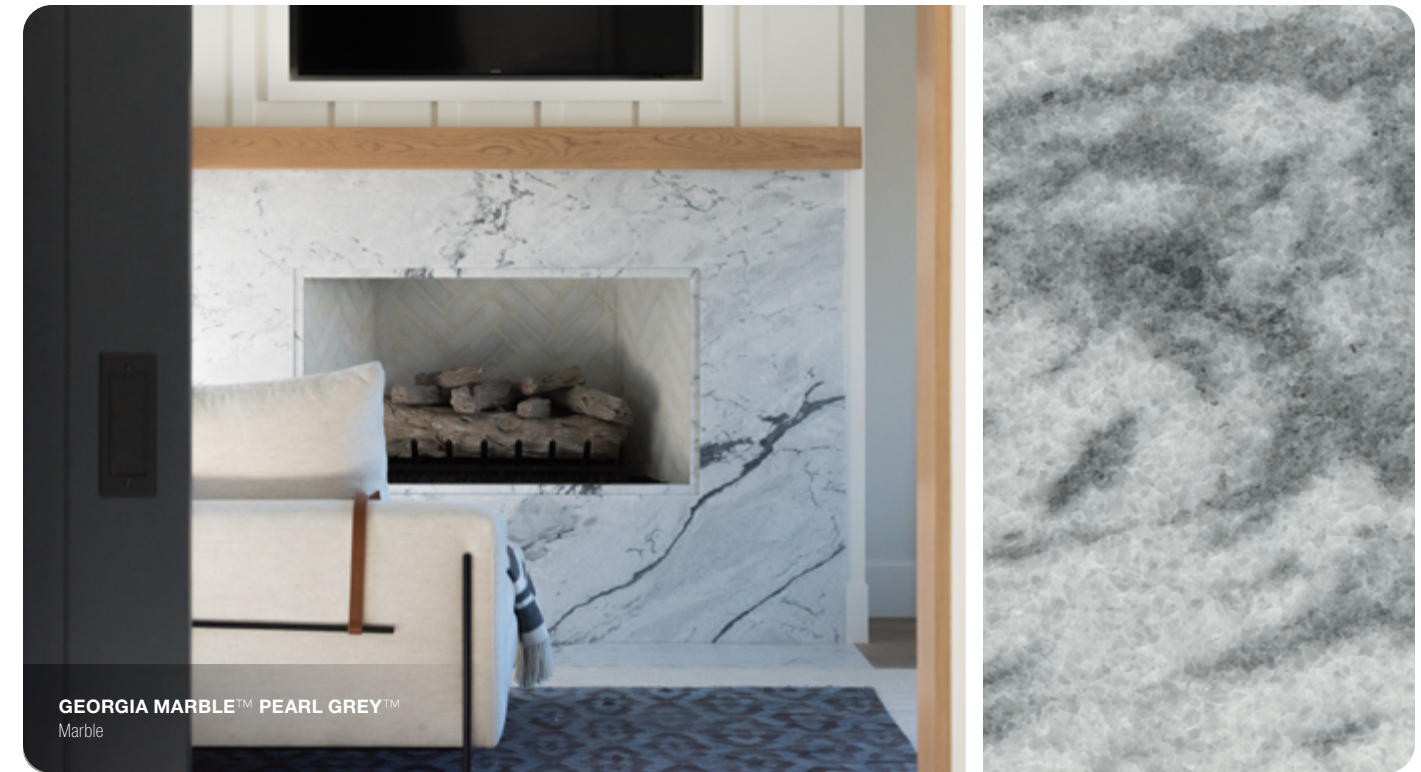

BETHEL WHITE™

Granite

This flawless white granite is one of the most prized in the world. Its pure white base is sprinkled with tiny black flakes, giving it an effortlessly classic look that can easily be matched with various styles and colors.

VERMONT, USA

GEORGIA MARBLE™ PEARL GREY™
Marble

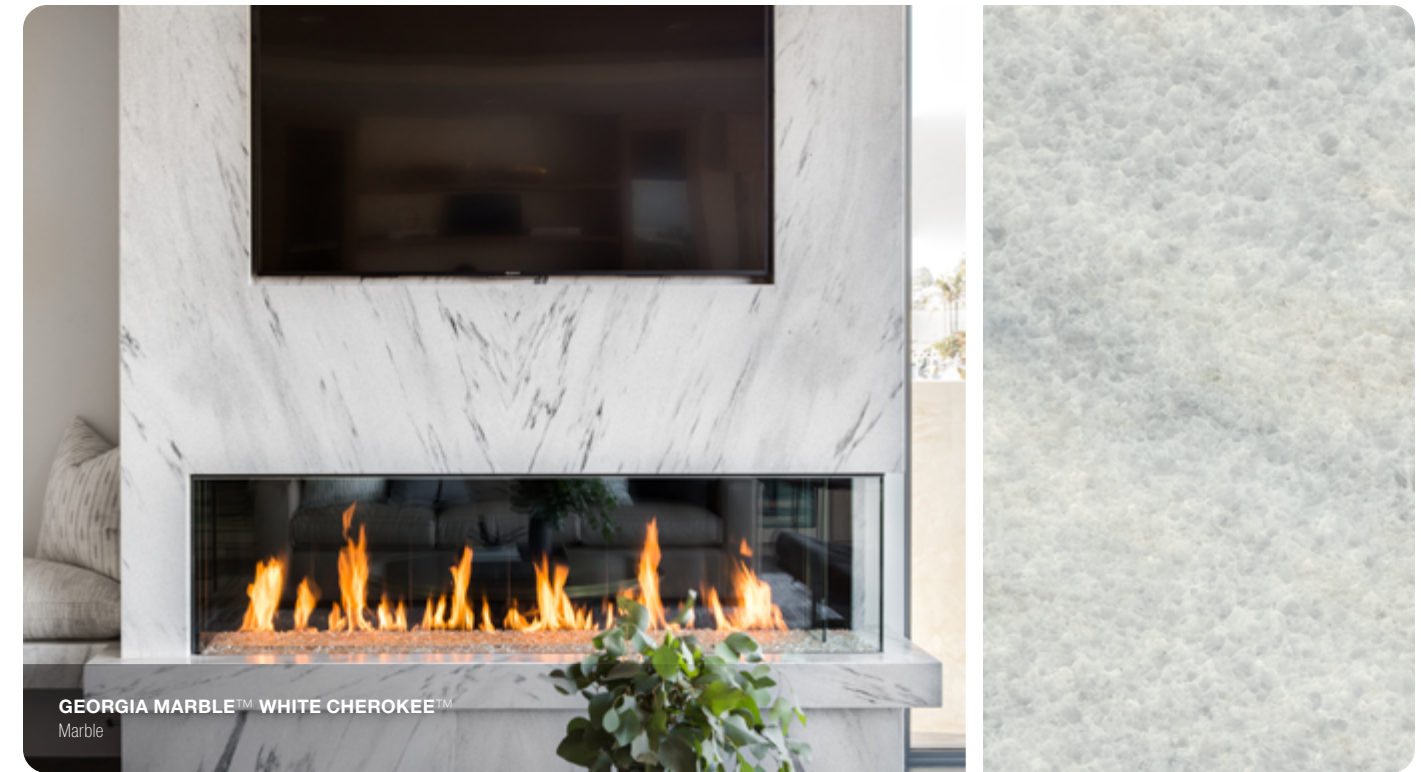

GEORGIA MARBLE™ PEARL GREY™ Marble

The consistent grain structure of this North American marble contributes to its strength and resistance. Its white, gray, and black veins creates a dramatic statement that immediately draws the eye, making it the star attraction of any space.

GEORGIA, USA

GEORGIA MARBLE™ WHITE CHEROKEE™
Marble

GEORGIA MARBLE™ WHITE CHEROKEE™ Marble

This marble has subdued tones and subtle veining making it an excellent choice for countertops when paired with darker cabinets or accents.

GEORGIA, USA

BRING YOUR INDOORS OUTDOORS

You know that cozy feeling you have inside your home? Now, imagine extending that cozy charm to your outdoor living space. Look no further! Polycor™ provides a diverse array of stunning stone solutions to elevate both your indoor and outdoor designs, turning your vision into reality.

Polycor Inc. products are natural. Subtle variations in color and texture do occur and are part of what makes natural stone unique and attractive. We cannot guarantee an exact match to any of the photographic images contained in this brochure. Polycor Inc.'s continuing attention to product improvement requires that product specifications, technical information, and availability are subject to change without notice.
