NATURAL STONE PAVERS

TIMELESS BEAUTY & UNMATCHED DURABILITY

Transform your outdoor living space with the timeless beauty and unmatched durability of natural stone pavers. While manufactured options fade and deteriorate over time, Polycor's natural stone pavers maintain their inherent color and character for generations, becoming even more beautiful with age.

This lookbook explores the rich palette of colors available from our North American quarries, helping you select the perfect hue for your outdoor sanctuary. From warm limestone tones to dramatic black granite, discover how our pavers combine premium aesthetics with exceptional performance.

THE NATURAL ADVANTAGE & STONE OPTIONS

Unlike manufactured materials, our stone pavers:

- ✓ Maintain their color permanently with no fading
- ✓ Contain no artificial dyes or pigments
- ✓ Are naturally slip-resistant and heat-reflective
- ✓ Offer unique character in every piece
- ✓ Provide superior strength and durability
- ✓ Create a timeless foundation for any style

INDIANA LIMESTONE QUARRY

For over 150 years, these quarries have supplied the material that shaped American architecture, from iconic landmarks to beloved residential properties nationwide.

Each extraction from our quarries yields natural, full-range compilations of warm buff colors and medium gray tones, with dense, compact grain structures that give Indiana limestone its marble-like quality. The subtle fossilized details—ancient marine life preserved for eternity—create a unique character in every paver, telling a story millions of years in the making.

WARM
NEUTRALS
& CREAMS

INDIANA LIMESTONE - FULL COLOR BLEND™

A TIMELESS AMERICAN CLASSIC

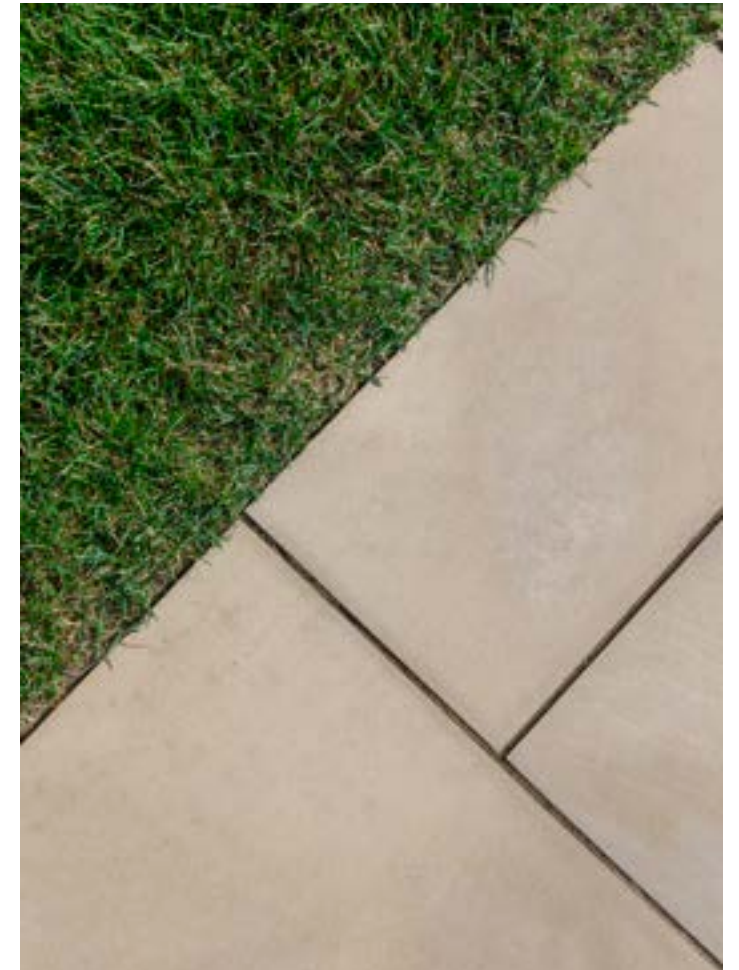

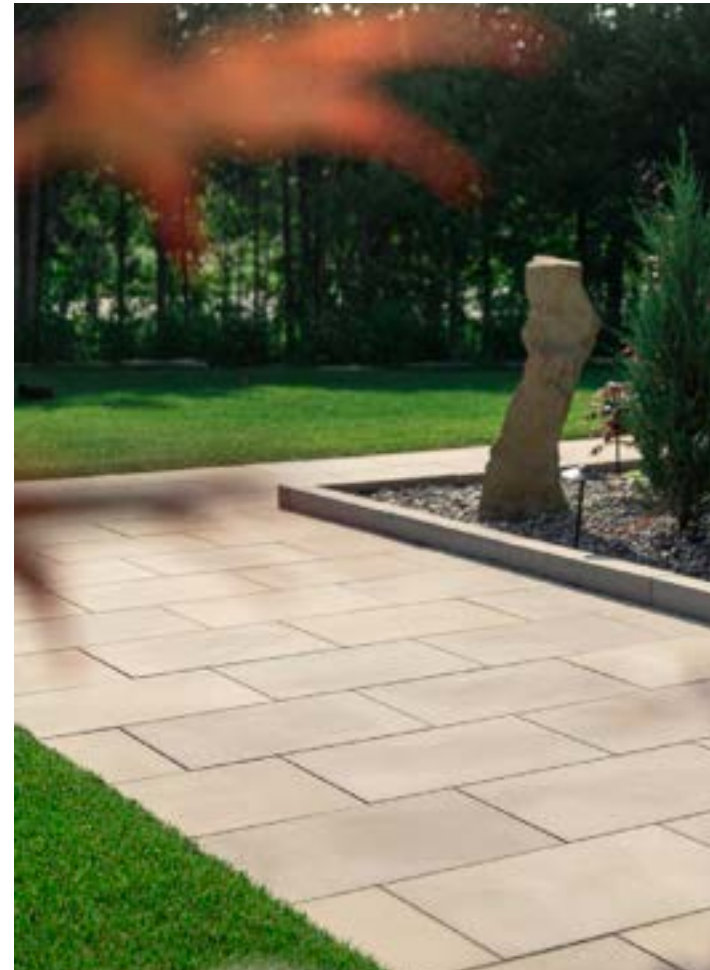

This iconic limestone delivers a harmonious blend of warm buff colors and cool gray tones that pair effortlessly with any landscape design. Each paver tells its own story through subtle fossilized details and gentle veining.

Perfect for:

- Traditional homes
- Pool surrounds
- Patios
- Garden pathways

Pairs beautifully with:

- Blue water features
- Natural wood elements
- Verdant landscaping

AS SEEN ON THIS OLD HOUSE

When PBS's iconic home improvement series "This Old House" sought the perfect materials for their historic Queen Anne Victorian restoration in Narragansett, Rhode Island, they turned to Indiana Limestone – Full Color Blend™.

Featured prominently on the show, our natural stone pavers, treads, and veneer brought authentic period character while providing modern durability.

INDIANA LIMESTONE - FOSSIL BEIGE™

ELEGANT WARMTH WITH HISTORICAL CHARACTER

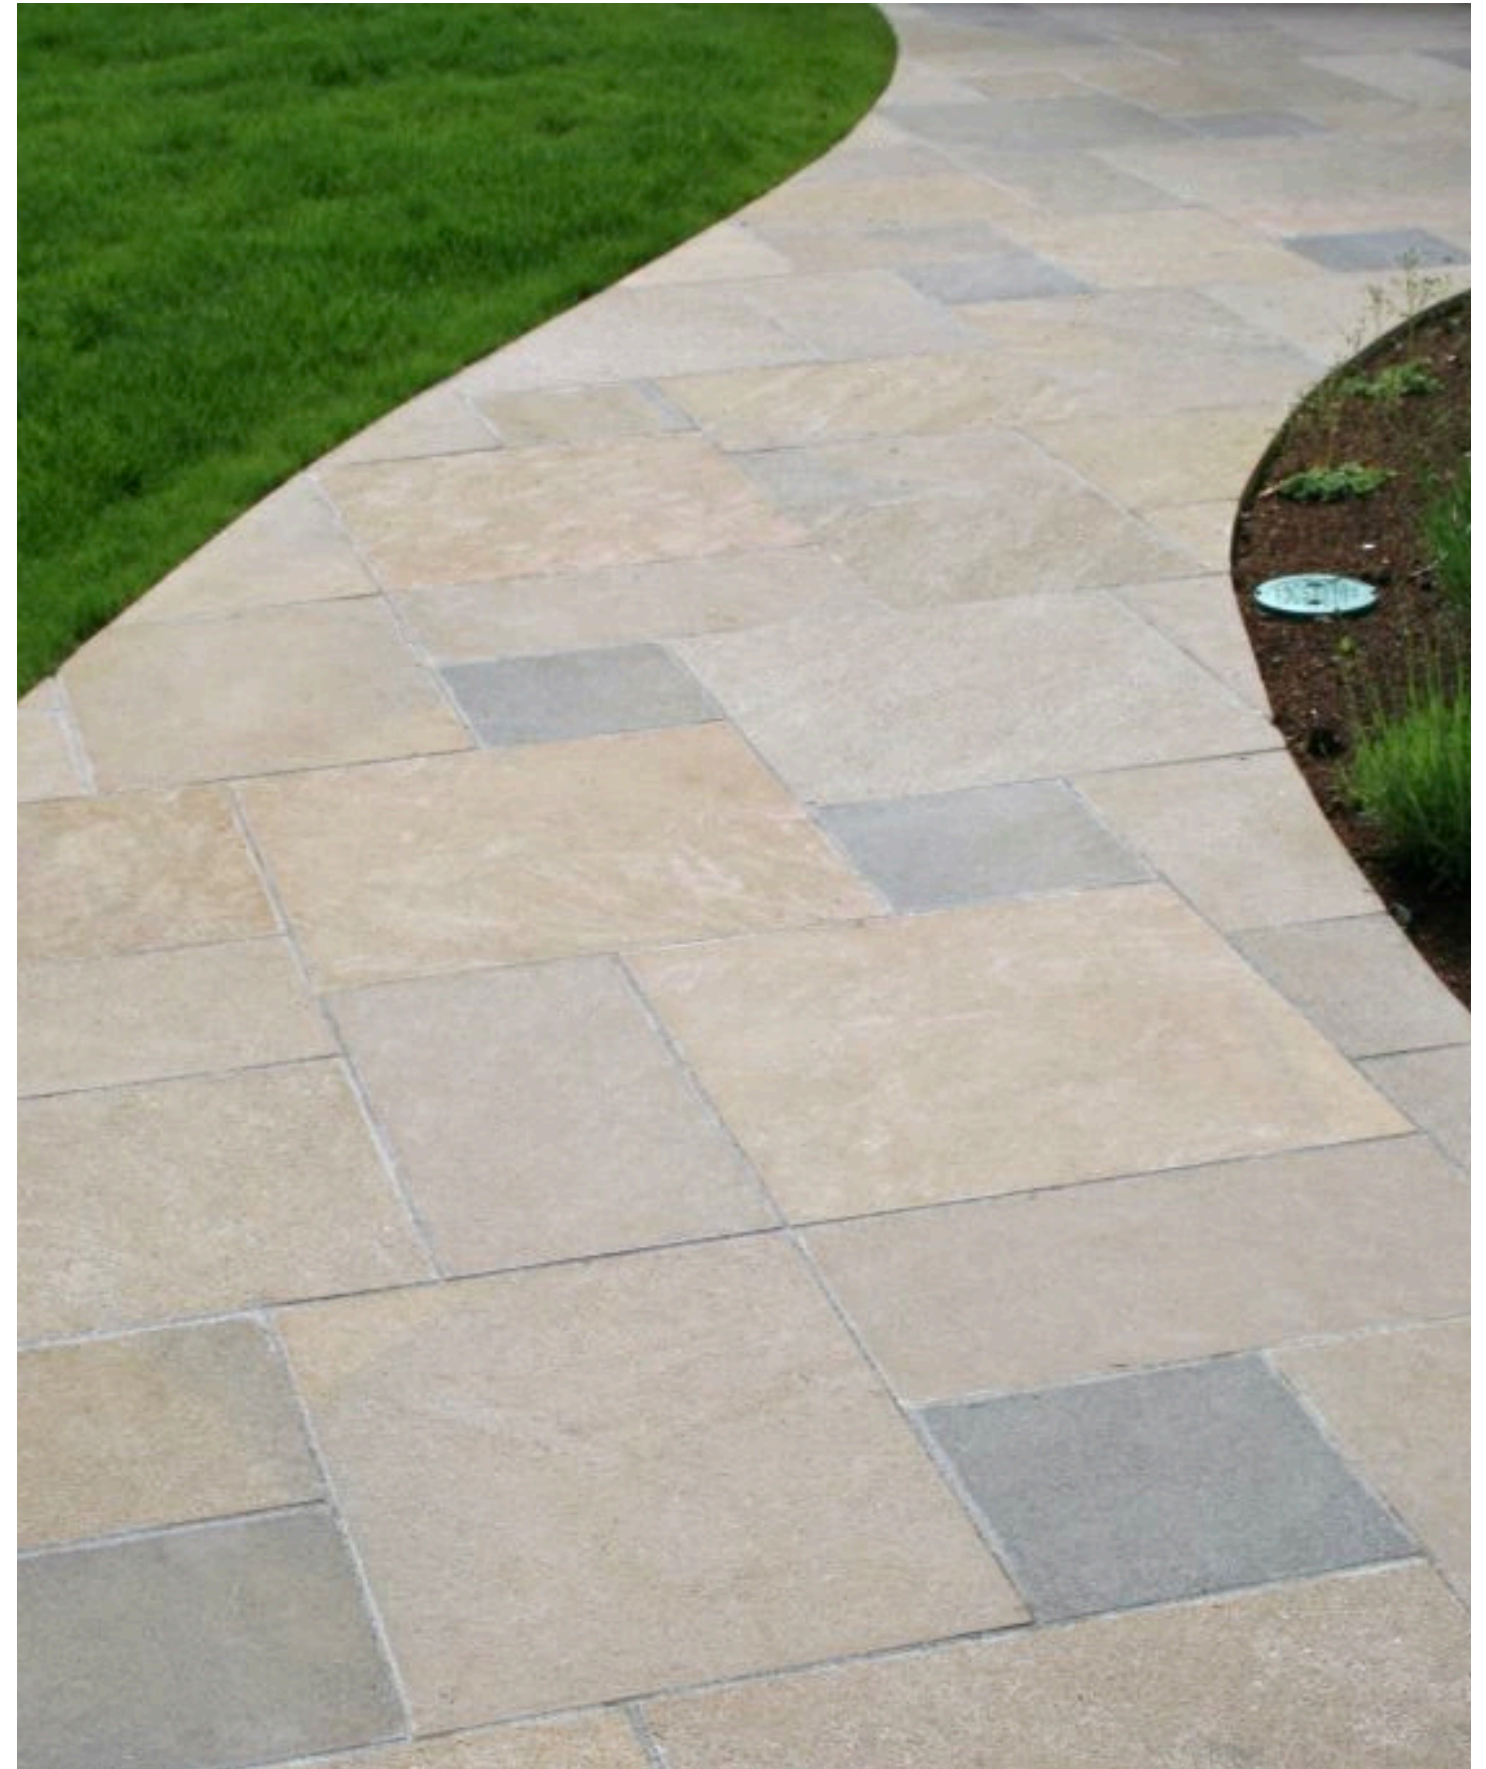

Featuring finely blended ripples of beige and grey, this limestone provides a neutral backdrop punctuated by charming shell inclusions and occasional russet-colored flakes. Its medium grain and standard grade create a uniform yet naturally varied appearance.

Perfect for:

- Classic home styles
- Formal garden paths
- Elegant entertaining areas

Pairs beautifully with:

- Dark furniture
- Wrought iron elements
- Mediterranean landscaping

COOL GREYS
& SILVERS

WOODBURY GRAY™ GRANITE

CONSISTENT ELEGANCE
WITH TIMELESS APPEAL

Sourced from Vermont quarries, this granite offers remarkable consistency in its light to medium gray coloration. The mid-size coarse grain creates subtle visual interest without overwhelming the space.

Perfect for:

- Contemporary designs
- Driveways
- High-traffic areas

Pairs beautifully with:

- Modern architecture
- Minimalist furniture
- Structured plantings

STANSTEAD GREY™ GRANITE

A DEEPER TONE FOR MODERN DESIGNS

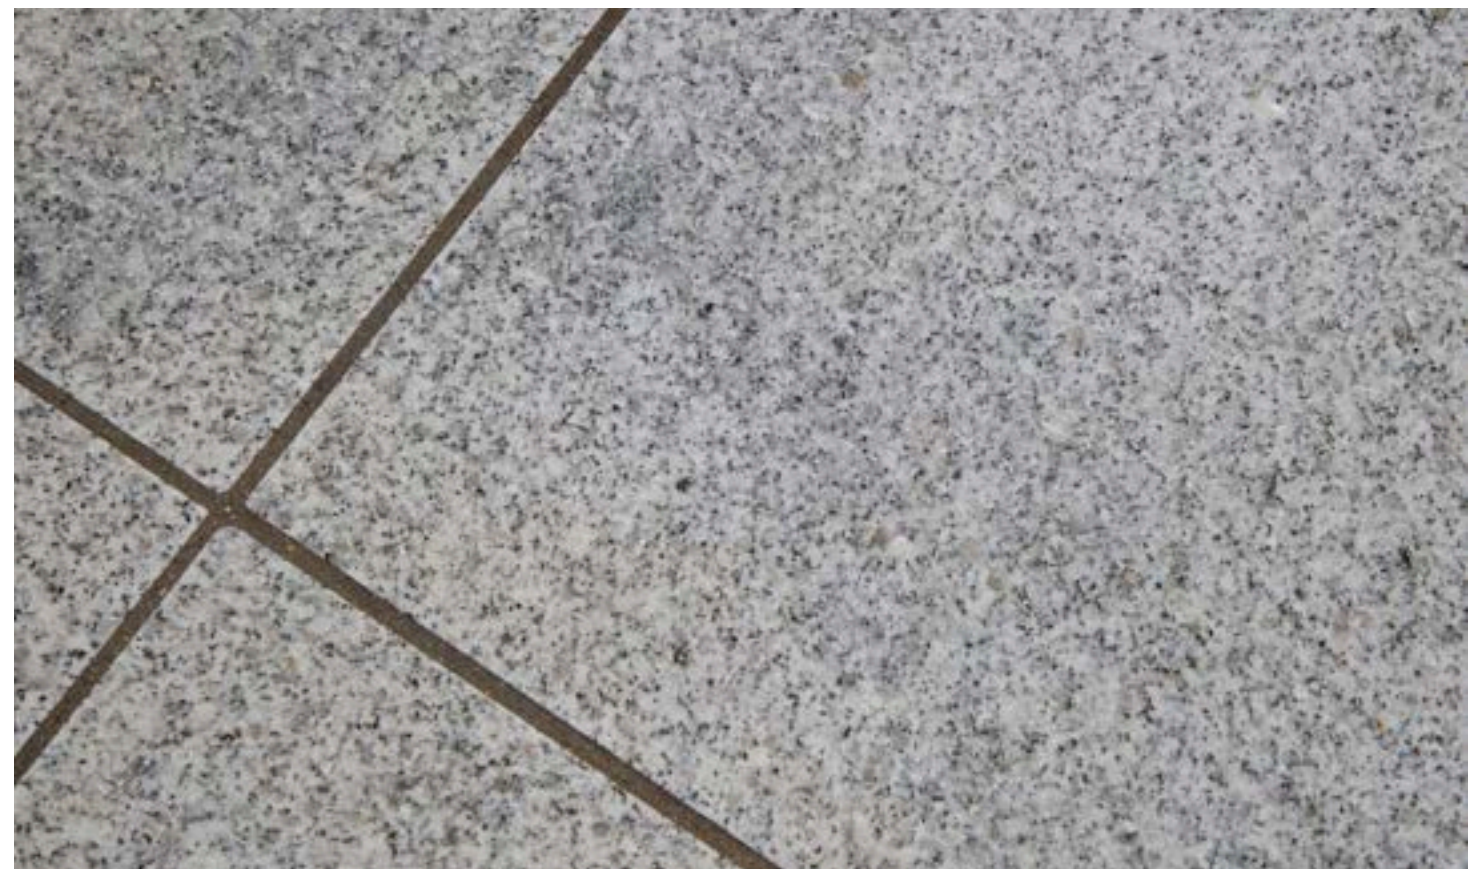

Slightly darker than Woodbury Gray, this granite features a tight-grained speckle pattern with larger, more clustered minerals. Its cool undertones make it an excellent choice for contemporary landscapes.

Perfect for:

- Making smaller spaces appear larger with its light-reflecting qualities

Pairs beautifully with:

- Black architectural elements and bright accent colors

BOLD BLACKS
& CHARCOALS

SAINT HENRY BLACK™ GRANITE

BOLD SOPHISTICATION WITH CRYSTAL BRILLIANCE

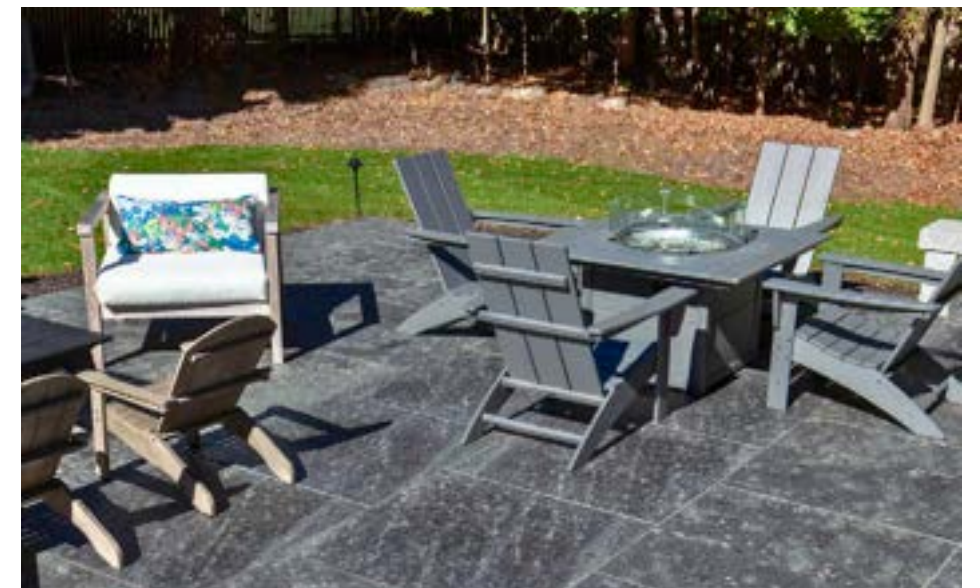

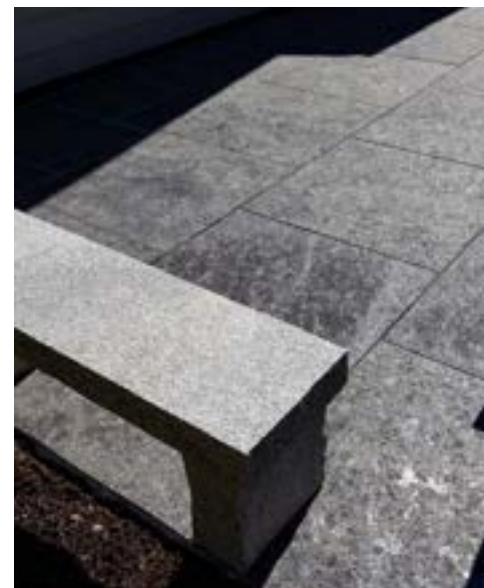

This granite features oversized, eye-catching metallic crystals that create visual interest and depth. As the sun moves across the sky, these opalescent flakes capture and refract light in constantly changing ways.

Perfect for:

- Statement patios
- Dramatic pool surrounds
- Contemporary designs

Pairs beautifully with:

- White architecture
- Vibrant furniture
- Stark contrasts

CAMBRIAN BLACK™ GRANITE

PURE ELEGANCE AND TIMELESS SOPHISTICATION

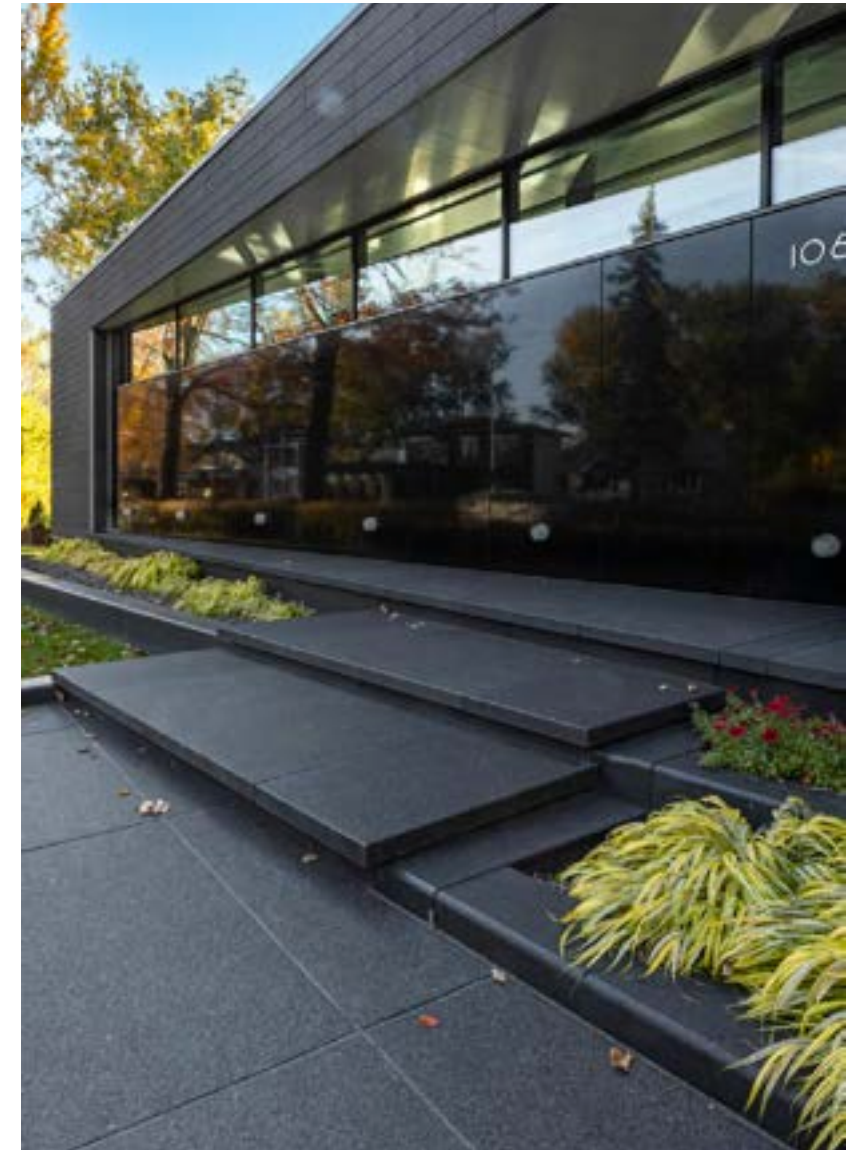

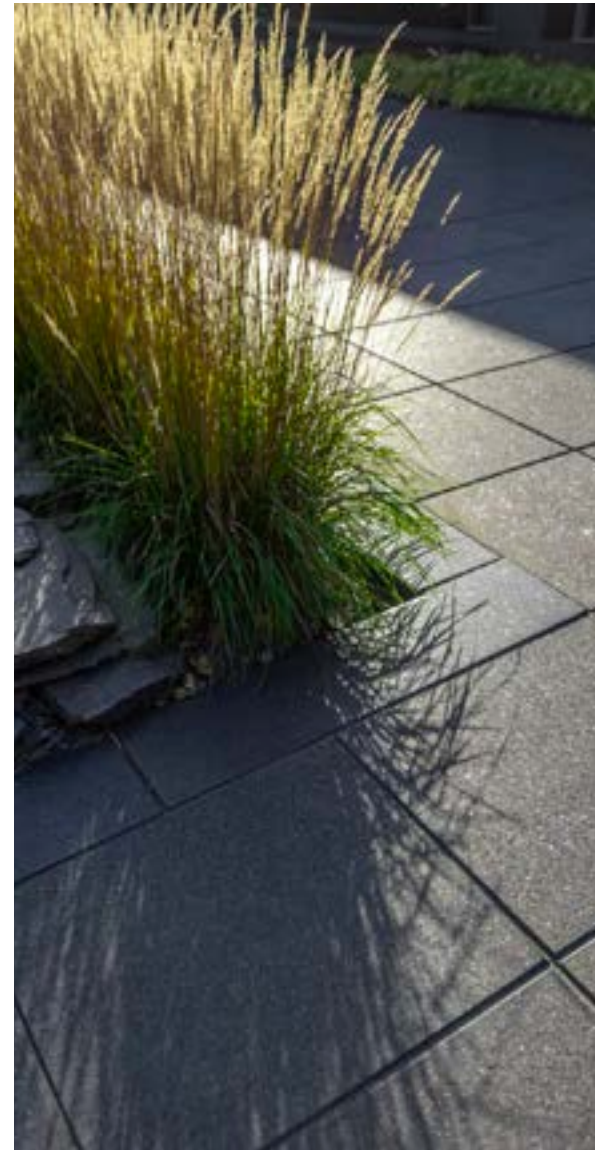

This monochromatic black granite offers a consistent deep tone with minimal variation, making it perfect for clean, contemporary designs. Its exceptional density and compressive strength make it ideal for high-traffic areas.

Perfect for:

- Modern minimalist designs,
- Urban spaces
- Dramatic contrasts

Pairs beautifully with:

- Light-colored buildings
- Vibrant landscaping
- Metal furniture

ELEGANT WHITES
& IVORIES

GEORGIA MARBLE™ - PEARL GREY™

TIMELESS LUXURY WITH NATURAL MOVEMENT

Quarried in Tate, Georgia, this iconic American marble features distinctive veining that creates natural artwork in your hardscape. Large calcite crystals reflect light beautifully, adding dimension and interest to outdoor spaces.

Perfect for:

- Luxury pool decks
- Formal patios
- Showcase properties

Pairs beautifully with:

- Traditional architecture
- Classic furniture
- Formal gardens

GEORGIA MARBLE™ – WHITE CHEROKEE™

PURE ELEGANCE WITH SUBTLE CHARACTER

This marble offers a predominantly white background with lighter grey veining, creating a refined and elegant appearance. Its tight, interlocking grain structure delivers exceptional durability for outdoor applications.

Perfect for:

- Upscale residential projects
- Luxury commercial spaces
- Timeless designs

Pairs beautifully with:

- Both traditional and contemporary architecture

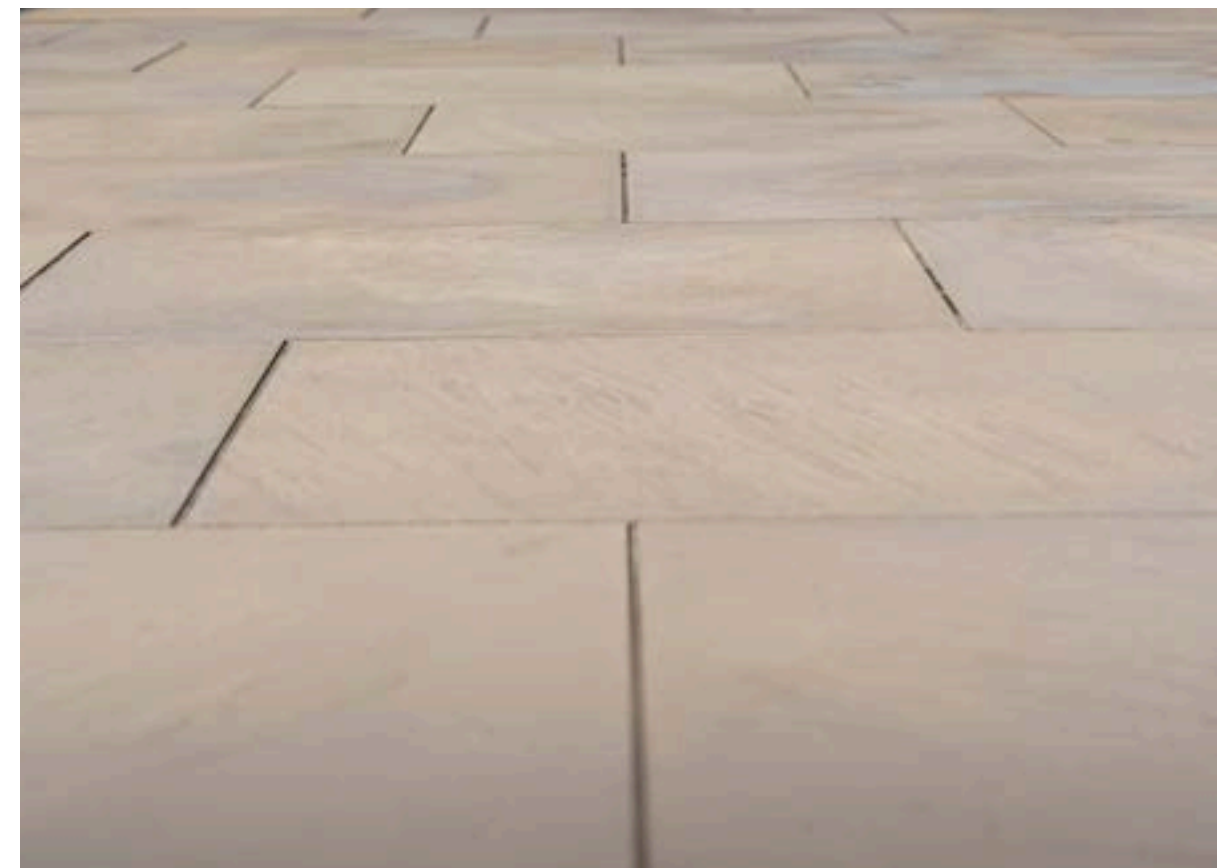

DESIGN INSPIRATION

TRADITIONAL ELEGANCE

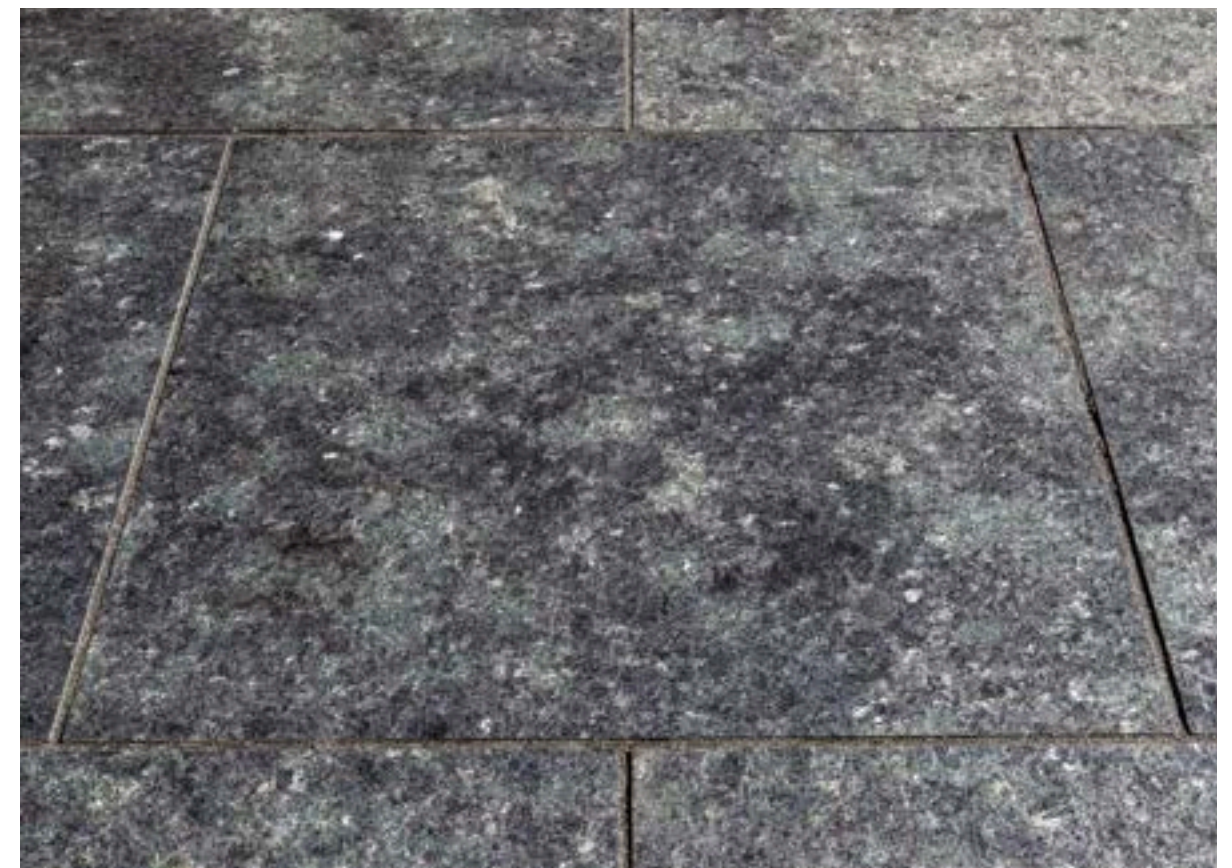

Create timeless outdoor spaces with Indiana Limestone - Full Color Blend™ pavers in a classic running bond pattern. Complement with traditional furniture, classic planters, and formal landscaping for a look that will never go out of style.

MODERN MINIMALISM

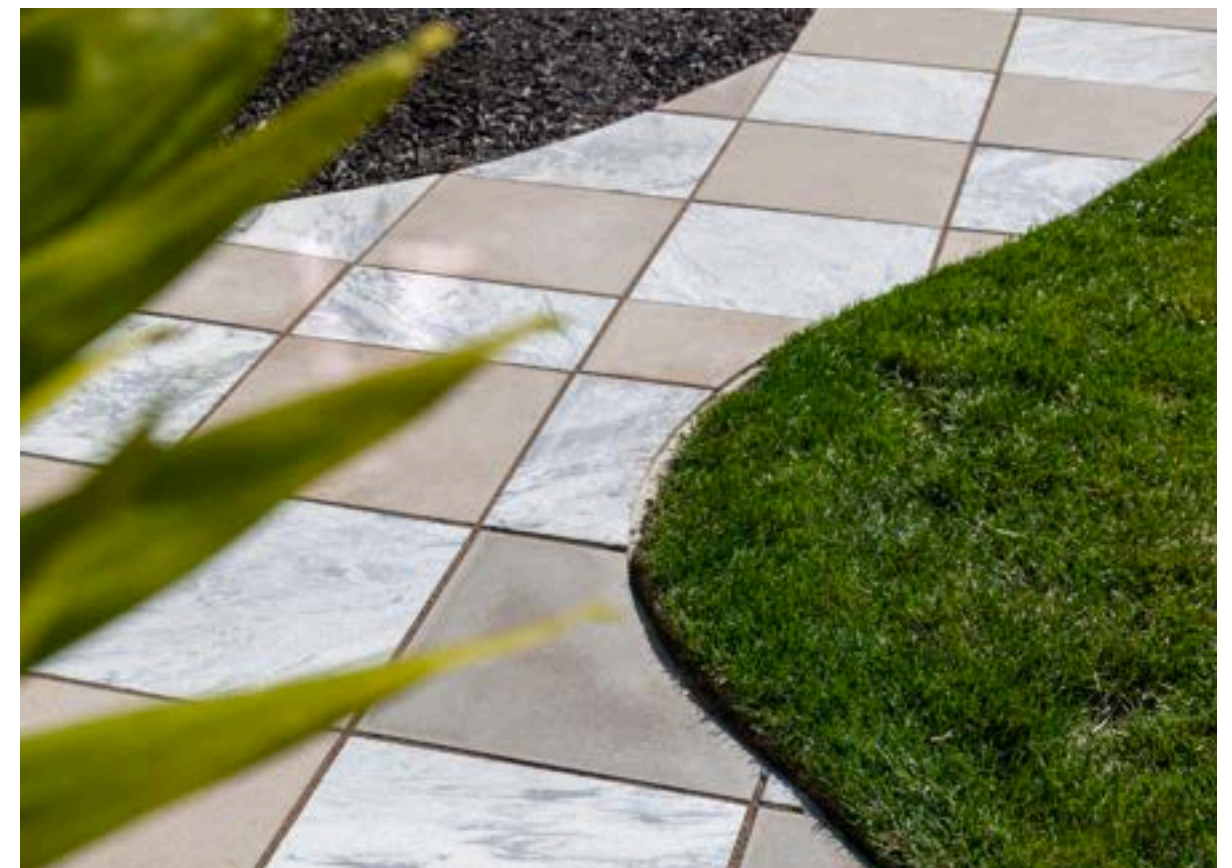

Make a bold statement with Saint Henry Black™ granite in large-format XL pavers. The clean lines and minimal joints create a sleek, contemporary foundation for modern outdoor furniture and architectural plantings.

COASTAL RETREAT

Combine Georgia Marble™ - Pearl Grey™ with Indiana Limestone for a sophisticated beach-inspired palette. The cool tones complement ocean views while providing a durable foundation for salt air and coastal conditions.
